DECLARATION OF INVENTOR

I hereby declare as follows:

- 1) I am a named inventor of the invention disclosed in currently pending U.S. Patent Application Serial Number 09/767,461.
- 2) The invention, entitled "Peer to Peer Information Exchange for Mobile Communications Devices," was conceived not later than July 17, 2000.
- 3) An Invention Disclosure was prepared not later than August 4, 2000. A copy of the Invention Disclosure is attached hereto as Exhibit 1.
- 4) The invention was approved for patenting by Ericsson Inc., and the Invention Disclosure was forwarded to the law firm of Buchanan Ingersoll, the patent counsel working with Ericsson Inc. at that time, on October 5, 2000, with a request to prepare and file a patent application. A copy of the request to prepare and file an application for the present invention is attached hereto as Exhibit 2.
- 5) Buchanan Ingersoll prepared a draft patent application for the invention, and sent the draft application to me for comments on December 11, 2000. A copy of the facsimile requesting my comments is attached hereto as Exhibit 3. I reviewed the draft application, and returned my comments to Buchanan Ingersoll.

6) A final draft of the application was filed with the U.S.P.T.O. on January 23, 2001, receiving U.S. Application Serial No. 09/767,461. A copy of the filing receipt is attached hereto as Exhibit 4.

I hereby declare that all statements made herein of my knowledge are true and that all statements made on information and belief are believed to be true, and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under §1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
